**Custom Millwork by  
Creative Millwork**

**As a homeowner or as a builder, there may come a time when you may want or need a custom piece to add to your design. Did you know that Creative Millwork has a wood shop with experienced, custom carpenters? Our woodshop can create one of a kind bookcases and mantels, plus custom wainscot, profiles and paneled-cased openings. We specialize in creating one of a kind custom pieces to compliment your homes décor and personal style. The sky is the limit on what we can create for you. If you would like more information on the services our shop can provide, please feel free to contact our sales department.**

**Behind the Scenes**

Many of you are familiar with our team of salesman. They may have helped you inside our showroom or you may have met them out in the field or possibly at your home. But, did you know that we also have a team of experts in our inside sales department? Our highly dedicated and knowledgeable staff includes Ricky, Jake, John and Stephanie. We are all thankful to have such an experienced group of people as part of our Creative Millwork family.
